

## New redundancy payment system is CHAMPion

The Insolvency Service is launching a new electronic payment system this year, to replace the current paper-based CHIRPS system.

Having built a strong relationship with the Redundancy Payment Office (RPO), Employee relations specialists, ERA Solutions were asked to test the new electronic redundancy payment system -CHAMPS.

Replacing the current CHIRPS long-winded system, CHAMPS includes computerised statutory information RP14 and RP14a forms can be submitted securely online by the insolvency practitioner or their agent.

This new system should speed up payments to employees reducing the time they have to wait for redundancy money.

Having thoroughly tested the system, Sarah Portman, ERA Solutions spokesperson said:

“We found the new CHAMPS system really quick and easy to use. I believe it will make a massive difference to employees who have been made redundant, as well as enabling insolvency practitioners and ERA service companies to be more efficient.”

ERA Solutions assist insolvency practitioners with their ERA needs, saving companies valuable time and money, and offering a complete service to redundant employees.

ERA Solutions works alongside Insolvency Practitioners and their Managing Director, Linda Flanigan, is a member of the R3 registered professional bodies, Association of Business Recovery Professionals.
