### **4orty Plus Girls Just Wanna Have Fun**

The members of 4orty Plus, the women's social networking group were out on the town this month. They held an open evening in Après, Mere Green for women of around 40 and over to come and meet new female friends. The event attracted a large number of women from around the Sutton Coldfield, Lichfield and Tamworth areas.

4orty plus is the new and exclusive members' club, here for all you lovely ladies. It is a local support network for women. 4orty Plus members are a group of likeminded women – compassionate friends offering support, advice, friendship and fun to other women. 4orty Plus will help you move 4orward by helping you increase the positive influences on your life and bringing you a whole new world of local support.

The events are designed to help women make new friends, share their latest experiences and find out the latest news and gossip.

Come join us on our 4orty Plus Events – there are lots of opportunities for you to increase your social network and make new positive friendships.

The first open day was such a success that Penny Matthews, creator of 4orty Plus, is organising a second open evening at Après, Mere Green on 16<sup>th</sup> March from 7.30pm onwards.
